Hamburg-Eppendorf

ZMNH - SEMINAR

Topic: **C. elegans as a model to study neuronal microtubule polarity organization and polarized transport**

Speaker: **Dr. Martin Harterink**
Cell Biology Department at Utrecht University,
The Netherlands
<https://www.uu.nl/staff/MHarterink/0>

Date: Monday, July 24, 2017
2:00 pm

Place: ZMNH
Center for Molecular Neurobiology
Falkenried 94, 20251 Hamburg
Lecture room (ground floor)

Host: Dr. Marina Mikhaylova
RG Neuronal Protein Transport
